If you're still on line, can you remind me which **Ex. 3 Deliberative Process (DP)** RAB still need to work on for Jan. There might just be one? I did not take notes at the meeting today (sorry!)

Are these five on the part of the **Ex. 5 Deliberative Process (DP)** for January?

Ex. 6 Personal Privacy (PP) is correct....we have done 3/8 for this week....taking this one on will likely supplant at least one of the five remaining ones...and they are:

P-20-0166
P-21-0002
P-20-0070
P-18-0141
P-20-0025

If we take this case, incoming/SNUR cases will be affected. Are you ok with that?

Is it possible that this one can be moved up the queue for review this week? I understand for this one, we need the

has all the facts right, we just have not gotten to it yet....please see highlighted part below.....we have eight management review cases we agreed to try and complete this week...two are done and we (management review) are working on the other six.

I propose putting this one on the list for next week (at the earliest) as a Hair on Fire case.

Can you provide me an update? Is this case not on the priority list because it may be deemed a backlog case instead of an incoming case? We need to figure out how we manage/prioritize the FY20 cases since these are still ones the company cares about moving forward (less than an older case that maybe FY19 or older).

I just spoke with the submitter for this case and she will be reaching out to you tomorrow about the status of the final risk assessment. The case is Ex. 5 Deliberative Process (DP)

It's a graphene material so

On November 20th [redacted] and I met with the company to give them a status update on the case. We told them [redacted] Ex. 5 Deliberative Process (DP) (at that time the direction had not been giving to RAB to only focus on active and HOF cases).

Let me know if you need anymore background.

Thanks,
